

# Custom Branded WOOD CRATES

MADE IN

THE USA

*Perfect for*

Curbside Pickup

Poolside Towels

Storage with Style

Retail Presentation

Spa Accessories

Wedding Favors

Wine Presentation

Classroom Clutter

---

I love these crates. They are easy to carry and stack. Choose from a wide array of stains or paint colors. Imprints can be silk-screened or engraved. We can customize to perfectly fit with your brand identity.

Here's an idea, retailers can use these for contact-less curbside pickup. Carry the shopping bags to the curb in a crate without ever touching the bag!
